Terms & Conditions

GENERAL TERMS AND CONDITIONS OF PURCHASING 1. General These general terms and conditions of purchasing (hereinafter "General Terms") shall apply to all products (hereinafter "Products") purchased by Huhtamäki Oyj with business identity code 0140879-6 and with its domicile in Espoo, Finland or any of its affiliates (hereinafter "Buyer") from its suppliers (hereinafter "Supplier"), and Supplier shall be deemed to accept these General Terms by supplying any Products, unless specifically agreed otherwise in writing between Supplier and Buyer. These General Terms override any additional or deviating terms or conditions included in any order confirmation of Supplier or otherwise referred to by Supplier or Buyer, unless specifically agreed otherwise in writing. 2. Production Location and Quality Control Supplier shall submit to Buyer, at Supplier's expense, samples of the Products and of the material used in the preparation of the Products in accordance with such instructions as reasonably requested in writing from time to time by Buyer. Supplier shall permit Buyer and its representatives to enter and inspect and audit, during Supplier's normal working hours, the plant facilities, equipment and methods used by Supplier in the preparation, production, packaging, storage and handling of the Products, and shall take all reasonable steps necessary to implement any reasonable requirements of Buyer. Supplier accepts that the Products will be subject to final inspection and acceptance by Buyer after delivery to Buyer. Without prejudice to other provisions in this Article 2 Supplier shall at all times remain solely responsible for quality control with respect to the for their work tasks, and You will prohibit them from doing overtime and night work. · You respect the right of Your employees to associate, organize, belong to a union and bargain collectively in · a lawful and peaceful manner without fear of retaliation. · You will not require employees to work more than the regular and overtime hours allowed by the laws and regulations of the country where the employees are employed. All overtime work by employees must be on a voluntary basis. You will provide employees with at least 1 day of rest after 6 consecutive days of work. · You compensate all employees with wages, overtime premiums, and benefits that meet or exceed legal requirements or collective agreements, whichever are higher. Salaries must be paid on time and in full, with only legal deductions. Environment Huhtamäki cares for the environment and expects its suppliers to be similarly committed to conduct business in a way that preserves the environment in compliance with laws and regulations. · You will ensure that every manufacturing facility complies with all applicable environmental laws and · regulations related to air emissions, water discharges and waste disposal. · You hold all legal permits necessary for Your operations and comply with such permits. · You make every effort to reduce the environmental impact of Your operations and safeguard the natural · resources on which we all depend. · You will not source materials, directly or indirectly, that contribute to deforestation of high conservation · value areas, or interfere with the habitats of endangered species.
